Working Experience

1. Software Engineer (Python Developer - AI Focused)

Qtec Solution Limited, 18th June, 2025 - Present

- Developing a project with Agentic AI.

2. AI/ML Developer

Dotech Limited, 1st October, 2024 - 15th June, 2025

- Developed projects for signature and photograph extraction, cleaning, and verification using AI.
- Implemented solutions for a reputed bank in Bangladesh to enhance document processing accuracy.

3. AI/ML Developer

Shothik AI, 29th July, 2024 - 30th September, 2024

- Developed an automated meeting minutes generator using Vertex AI by designing custom prompts for summarization.
- Built a Flask-based backend API to process audio/text inputs and return structured meeting summaries.
- Worked on a speech-to-text (STT) model to enhance transcription accuracy and efficiency.

Technical Skills

- **Programming Language:** Python (NumPy, SciPy, Matplotlib, Pandas, Seaborn, Selenium), C++
- **Deep Learning Frameworks:** TensorFlow, Keras, PyTorch, Scikit-learn
- **Web Development:** HTML5, CSS3, JavaScript, WordPress, Flask, Django
- **Database:** SQL, MSSQL, MongoDB
- **API Testing Tool:** PostMan
- **Google Cloud Platform (GCP):** Proficient in deploying, managing, and optimizing cloud-based applications and services, with experience in Cloud Storage
- **Emerging Technologies:** LangChain, Vector Database (ChromaDB, FAISS), Prompt Engineering
- **Others:** Machine Learning Algorithms, Generative Adversarial Networks (GANs), Recurrent Neural Networks, Convolutional Neural Networks, Exploratory Data Analysis (EDA), OpenCV

Recent Works

1. Optimal Prompt Reflection Bot [Codes]

- A sophisticated AI conversation system that learns and optimizes prompts through reflection, while extracting and storing meaningful user memories for personalized interactions.
- Automatically evaluates conversation quality and response effectiveness.
- **Technology Used:** Python 3.8 or Higher, LangGraph

2. AI Chat Log Summarizer [Codes]

- This Python-based tool reads .txt chat logs between a User and an AI, parses the messages, and generates a concise summary including total messages count, User vs AI message breakdown,
- **Technology Used:** Python 3.7+ , Transformers (for BERT Tokenizer)

3. Bangla Aggressive Text Detection [Codes]

- This allows users to input Bangla text, and it predicts the aggression level of the text using a pre-trained model.
- **Models Used:** mT5, BanglaT5

4. Feedback Apps [Codes]

- This project contains a simple feedback application built to gather user feedback through various forms and uses AI to respond to bug reports.
- **Technology Used:** Vertex AI, Flask, NextJs

5. Sarcasm Detection for News Headlines [Codes]

- Detecting sarcasm in English news headlines using pre-trained BERT (Bidirectional Encoder Representations from Transformers) models.
- **Models Used:** mT5, BanglaT5

6. Bangla Question Answering System [Codes]

- Performing Bangla Question Answering on the UDDIPOK dataset-a wide-ranging, open-domain Bangla reading comprehension dataset.
- **Models Used:** mT5, BanglaT5

7. English Abstractive Summary Generation [Codes]

- Generating abstractive summaries from conversational English text using state-of-the-art pretrained Transformer models.
- **Models Used:** mT5, T5

Education

Ahsanullah University of Science and Technology

B. Sc. in Computer Science and Engineering

Adamjee Cantonment College

Higher Secondary Certificate

Sher-E-Bangla Nagar Govt. Boys High School

Secondary School Certificate

Dhaka, Bangladesh

Spring 2019 - Spring 2023

Dhaka, Bangladesh

2018

Dhaka, Bangladesh

2016

Undergraduate Thesis

Generative Adversarial Networks for Crop Disease: A Case Study with Potato Disease Classification and Instance Segmentation

Supervisor: Dr. Mohammad Shafiu Alam, Professor, Department of CSE, AUST

Awards & Achievements

- **Poster Presentation** *5th August, 2023*
Secured 1st position in “RESEARCH SYMPOSIUM 2023: AN INTRA-AUST RESEARCH EXHIBITION” organized by AUST Research and Publication Club.
- **Completion Certificate** *10th September, 2023*
WORDPRESS THEME CUSTOMIZATION
- **Completion Certificate** *29th October, 2024*
AWS CLOUD TECHNICAL ESSENTIALS in GP ACADEMY

Extra Curricular Activities

- **Vice-President** *2023-2024*
AUST Sports Club
- **General Secretary** *2022-2023*
AUST Sports Club
- **Captain**
Represented Ahsanullah University of Science and Technology at **Clemon Indoor Uni Cricket 2023**
